

PLAY IS IMPORTANT!

Amazement Square's "learning by doing" environment builds important life skills such as creativity, critical thinking, and problem solving.

Children who play often do well in school, and adults who engage in play with their children create a stimulating experience for themselves and the entire family. Amazement Square creates an environment to inspire play and hands-on learning, sparking a child's creativity and curiosity of the world in which they live.

MISSION
 Amazement Square is a non-profit hands-on museum that cultivates an engaged community of lifelong learners by sparking imagination, creativity, and curiosity.

About Amazement Square

Amazement Square is a nationally recognized and award-winning, hands-on museum located in downtown Lynchburg. Named one of Central Virginia's family favorites, the museum offers four floors of interactive exhibits designed to make learning fun. Guests of all ages can paint on the walls, explore life on the farm, create a rainstorm, float a boat down the James River and rock out on stage in their own band! Right in the center of the historic building is the *Amazement Tower*, the tallest indoor climbing structure in the nation, offering an endless maze of slides, tunnels and a zip-line!

National Medal

Amazement Square is a recipient of the National Medal for Museum and Library Service given by the Institute of Museum and Library Services. This is the nation's highest honor available to a museum in the United States and awarded at the White House for going above and beyond in service to a community.
