# Guide

# Gallery

## 4th Floor

### Once Upon a Building

Pretend to be an architect, urban planner, or construction worker while you learn how buildings are constructed.

### Native American Gallery

Discover the rich cultures of the Monacan, Lakota, and Pueblo peoples. Explore the housing, daily life, and arts of each Nation. Visit the Dig Box and pretend to be an archaeologist uncovering artifacts and piecing together history.

### On the James

Help a miniature batteau boat navigate the James River using locks and canals and watch what happens when a rainstorm soaks downtown Lynchburg!

## 3rd Floor

### Voltageville

Build circuits in Voltageville and practice your balancing skills using Bernoulli's Principle to play air-dryer basketball!

### Raceways

Zip, swirl, and twirl as you explore gravity, inertia, velocity, and electricity in a setting that brings science to life.

### Shipwreck Cove

Our friends 36 months and under can explore a pirate ship, play at our interactive table, interact with a coral reef, and meet new friends!

### League of Healthy Heroes

This interactive gallery offers children hands-on activities that communicate the importance of choosing healthy foods and incorporating exercise into their daily routines.

## 2nd Floor

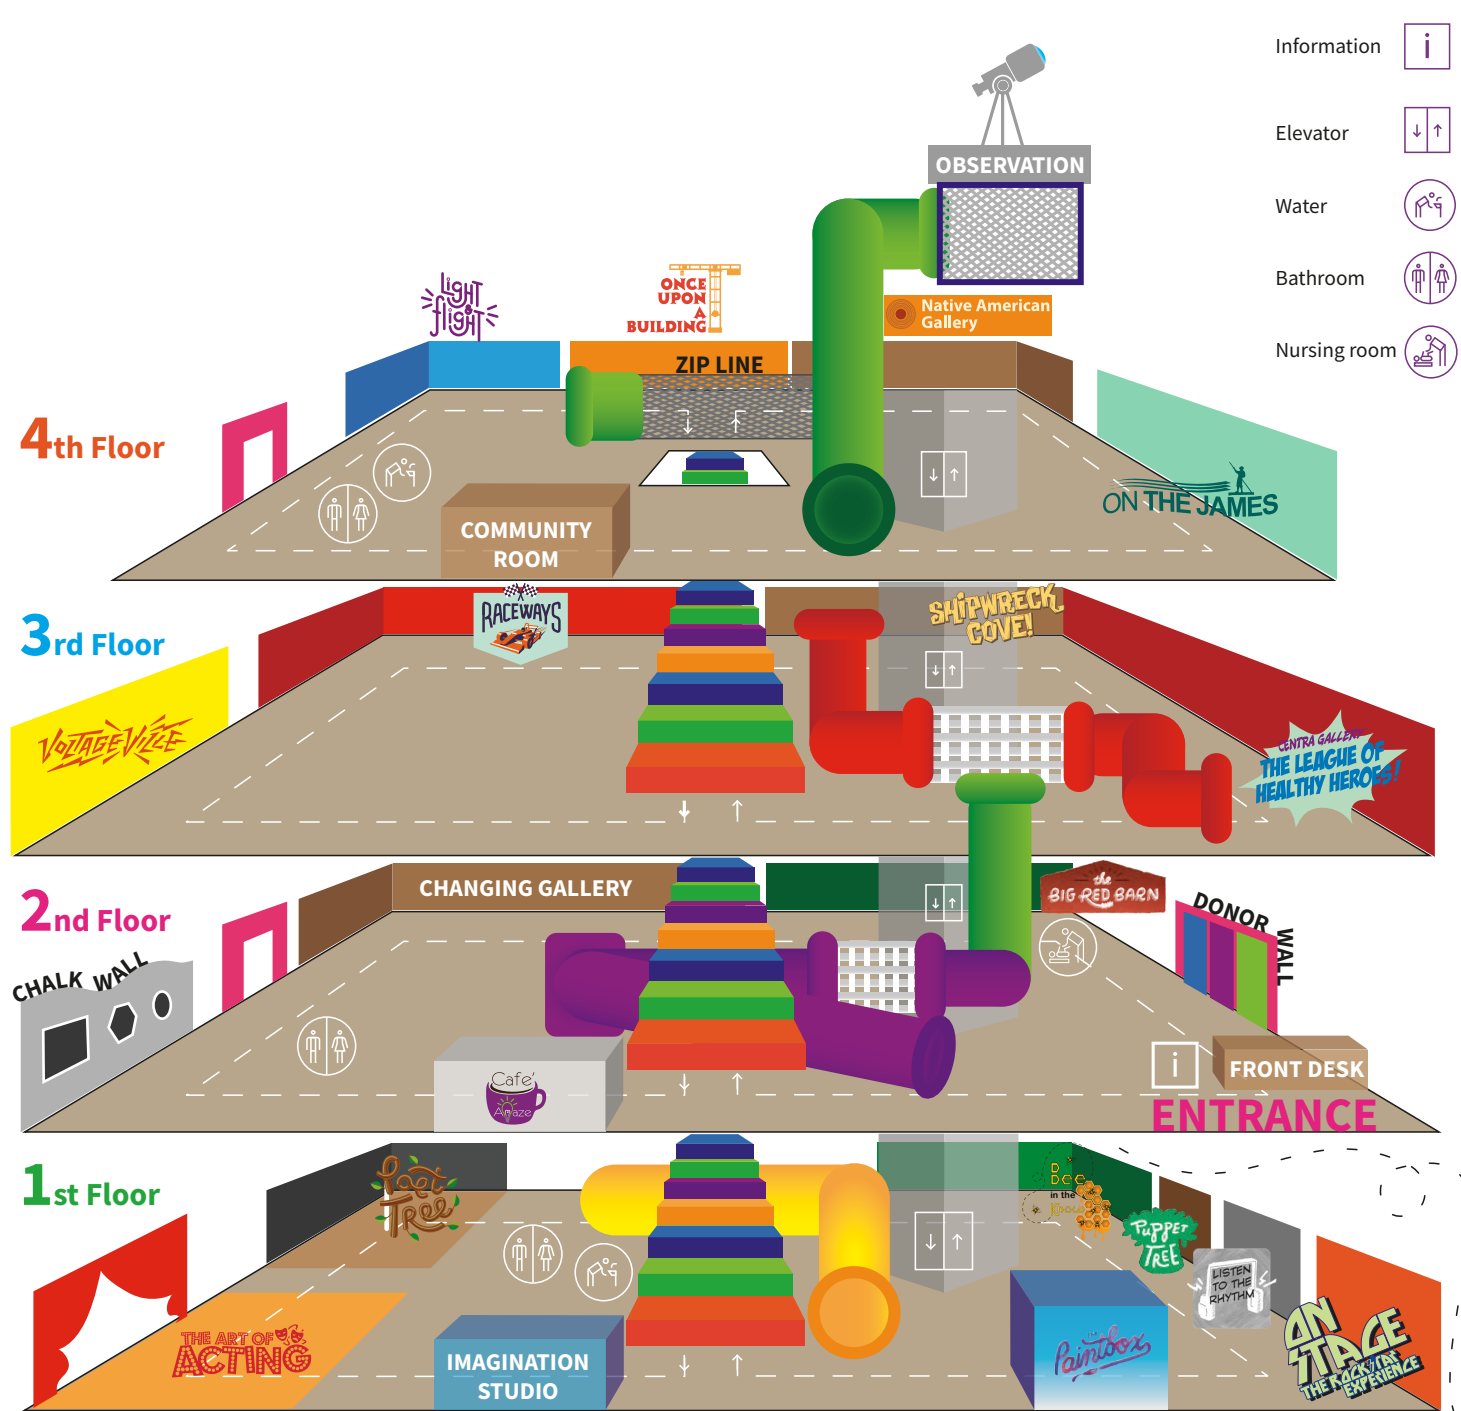

### Changing Gallery

This gallery hosts exciting, temporary exhibitions on a bi-annual basis.

### Big Red Barn

Inspired by Margaret Wise Brown's Big Red Barn, this gallery invites families to experience life on the farm.

## Café Amaze

Café Amaze, formerly Kidz Warehouse, now offers more food and drink options to fuel both children and adults for hours of exploration at A² and also hosts a selection of unique and educational merchandise.

## 1st Floor

### Art of Acting

At The Art of Acting, you can try on costumes, set the lighting, and act out your favorite scenes.

### Bee in the Know

An interactive and live exhibition exploring the importance, function, and art of beekeeping.

### Puppet Tree

Try on a new character and put on a show at the Puppet Tree. With dozens of puppets to choose from, the possibilities are limitless!

### Listen to the Rhythm

Go behind the scenes of your favorite tunes in the music room. Try your hand at our authentic instruments and see what happens when everyone plays together.

### On Stage: The Rockstar Experience

Ever wondered what it's like to be a rockstar? Whether you choose to sing for the crowd or play in the band, On Stage: the Rockstar Experience will make you feel legendary!

### Paint Box

Who doesn't dream of painting on the walls? Step into our one-of-a-kind glass wall paintbox where you can stretch your imagination from floor to ceiling!

### Amazement Tower

"From Here to There to Everywhere," is one of the tallest climbing structures in the nation and the museum spine, interconnecting all four floors and extending to the roof! An endless maze of slides, ladders, tunnels, and a zip-line.
